Other Order Ways—With Phone/Mail/Fax/Check:

If you are not comfortable ordering online with a credit card, you are welcome to choose an offline order option in the payment section of the order process. We accept mail, fax, wire, and PO (if applicable) ordering options in addition to ordering online. We also provide phone orders through our 24x7 order desk at 1-877-353-7297, or (952) 646-5331 for International Callers.

Please note that all of the offline ordering options do have additional fees for processing. To place an order by mail, fax, wire, and PO (when applicable), use the online form and then choose one of these payment options found in the Payment Method section of the form. Once submitted online, the appropriate information will be provided to you in your web browser to send your payment to us offline.
